

# **Dimple Well Infant School and Nursery**

Resource List

Reviewed and Updated 2019 / 2020

This is a detailed, though not exhaustive, list of resources that are used within school for the teaching of Mathematics.

100 squares

2d and 3d shapes

Base 10

Clocks (working and manipulative)

Coins (plastic and real)

Counters

Dice with a variety of faces

Digit cards

Dominoes

Marbles

Maths games

Measuring resources (rulers, metre sticks, capacity containers, analogue and digital scales, balances and weights)

Mirrors

Multilink cubes

Number lines

Numicon

Thermometers

Unifix cubes

Resources throughout school are regularly created, added to and enhanced to develop children's learning.
