

Internet Safety

Tips and advice about how to stay safe online Summer 2020

Online safety has become even more of a priority for schools and families during the coronavirus lockdown as a result of children spending more time on screens and technology.

Children's books about online safety:

Being online during lockdown is an amazing way for kids to play, create, learn and connect, whether they're chatting with friends and family, playing games or doing homework. But it's also important to know to help keep them safe.

The best way to help keep your children safe online during lockdown is to continue having conversations around online safety, regularly check phone and app settings together, and limit time online.
