

# Keeping you safe

**At Dimple Well School all the adults will:**

- respect all children
- help you to protect your rights to feel and be safe
- prioritise your health, safety and well-being

**The adults will do this by:**

- making school a safe place for you to learn in
- talking and listening to you

**We will teach you how to:**

- recognise risks in different situations
- protect yourself
- ask for help if you are worried or unhappy
- stay safe at home and at school

**Always remember:**

- you can talk to any adult in school
- they will **ALWAYS** be there to help you
