NEWSLETTER – MARCH 2021

Dear Parents and Carers

You should all be so proud of your children. They all came back to school with a smile on their face and they have all settled down well into the school routines and expectations again.

Thank you for all that you have done for the children whilst they have been home-learning. We are currently updating all our assessments, so we can see the progress they have made and identify any gaps in learning so that we can plan the appropriate learning opportunities as we move forward. Staff will be getting in touch with you to arrange a parent consultation meeting before the end of April, however, if you have any concerns or need any advice in the meantime please contact them through their email addresses.

National Sleep Week

I have sent out some interesting information on recommended average sleep times and a Good Night guide for children, which you may find useful.

Red Nose Day

Friday 19th March is Red Nose Day. As it may be more difficult to buy red noses this year I would like to suggest that the children either come in fancy dress, non-uniform or wear red noses and make a donation to this worthwhile cause. Anything goes this year!

Egg rolling

Our annual egg rolling competition will take place in school on Friday 26th March. Please can your child bring a hard-boiled egg into school. If they wish to decorate it at home they can do.

Remote learning

I am hoping to send out a questionnaire in the near future for your feedback on how home learning has been for you and your child. We would like to evaluate what we have provided for children and parents so we can learn from your experience should we need to do it again (fingers and everything else crossed that we don't!!).

Thank you for your continued support. Hopefully 'the storm' is nearly over and we can get back to seeing family and friends again soon.

Yours faithfully

H. E. Williams
