Dear Parents and Carers

Parking

Parking down Dimple Well Lane and Healey Road continues to be a huge problem. School is getting inundated with complaints from the neighbours around school and also from very concerned parents too!

Parking is, quite frankly, inconsiderate and dangerous.

Several of you are consistently breaking the law by parking too close to, or actually on, road junctions, whilst others are restricting pedestrian access by parking on the pavement. I have no jurisdiction on what happens outside the school gate but the office staff will be encouraging complaining neighbours and parents to contact:

PC3937 Popplewell

Wakefield District Neighbourhood Policing Team – Ossett & Northwest Team 2

Email: ap274@westyorkshire.poloce.uk

Telephone – Internal: 26055 work Mobile: 07802 717232

Children's lives are being put at risk and there is an accident waiting to happen outside the school gates.

Water in school

The school policy for allowing **pure water only in school** is in line with the Wakefield Healthy School Policy which all maintained schools have to adhere to. Cordial and flavoured water will only be allowed if school receives a medical letter from your child's doctor outlining why there is a need for anything other than water. Parents are asked to abide by this policy.

Transition

Unfortunately our planned transition day, on Friday 2nd July, has had to be cancelled due school having to abide by the COVID-19 restrictions.

The Year 2 children had a brief, socially distanced, visit to Southdale on Monday and they will meet their new teacher outside on Thursday.

The children at Dimple Well who are staying with us will meet their new teachers, outside, in due course! A 'Meet the teacher' letter will be sent home after this meeting to inform you of all the relevant information you will need to know for September. The teacher's email address will be included at the end of the letter if you feel you need to contact them.

Summer Fayre

We are planning a Summer Fayre for the children on Wednesday 14th July. We are going to have a bouncy castle, games to play, ice creams etc. To generate prizes we will be having a **non-uniform day on Friday 2nd July** in exchange for the children bringing in a bottle (pop, juice, ketchup etc) or sweets.

Please can the children also bring in **£5.00 in a named envelope** as payment for taking part in all the activities. The money raised will go towards creating another activity area outside, which the children will use during playtimes and lunchtimes. Thank you for your support.
