

Free School Meal & Disadvantaged Children at Dimple Well Infant School

Context:

Dimple Well Infant School's percentage of children on Free School Meals or classified as Disadvantaged is consistently lower than National, but the percentage is increasing year on year. Due to the very small numbers of children falling into these categories sometimes data can be affected if any of these children also fall into the Special Educational Needs category too.

FSM%	2017	2018	2019	2020	2021
School	3.5%	6.7%	8.1%	9.3%	11.3%
National	14.1%	13.8%	15.8%	17.7%	21.6%

Key:

Data in black – school data

Data in red – National data

Additional information:

Some data is unavailable due to COVID 19 and the assessments and tests were not administered during this time
